

WF35 MOBILE POS FAQ

- *What operating systems are supported on the WF35?*
 - Windows CE 5.0 comes preloaded on the WF35 and is the only supported OS.

- *Does the WF35 support 3rd party charging adapters and accessories?*
 - Only accessories and charging adapters provided with the WF35 are supported. Any 3rd party devices that are used will void the warranty.

- *Which SD cards are supported on the WF35?*
 - The WF35 supports all non SDHC SD cards up to 2 GB.

- *Can the battery on the WF35 be hot swapped?*
 - The battery on the WF35 can be hot swapped if it is plugged into the AC charging adapter while the battery is being changed.

- *Is a docking bay or multi charger available for the WF35?*
 - Currently there is no docking bay or multi charging station available for the WF35.

- *Where can I download software and operating manuals for the WF35?*
 - All software and documentation can be downloaded from our website at the links below.
 - <http://www.touchdynamic.com/manuals.aspx>
 - <http://www.touchdynamic.com/drivers.aspx>

- *Which access point does Touch Dynamic recommend to be used with the WF35?*
 - Touch Dynamic recommends the TP-LINK TLWA6110G. It is available on Amazon for \$39.99 and Newegg for \$34.99. Additional information can be found at the below link.
