## TOUCH Epson T20

## **Highlights**

- Printing up to 150mm/sec
- Integrated power supply
- Ease-of-use features including drop-in paper loading, autocutter and status LEDs
- Low power consumption, ENERGY STAR qualified.
- Interface cable Included in the box
- Wallmount bracket included in the box
- Epson reliability

Epson's cost-effective ReadyPrint T20 thermal printer is the latest addition to Epson's line of energy-efficient POS Printers. Designed to deliver Epson's renowned reliability in harsh environ-ments while maintaining a cost effective solution. The Epson T20 combines basic POS printing func-tionality with high reliability and multiple ease-of-use features.

The Epson T20 comes with multiple ease-of-use features including drop in paper loading, autocutter, status LEDs and more. And it also offers versa-tile printer placements including horizontal or upright for front receipt dispensing or vertical placement using a mounting bracket.

The Epson T20 has a MCBF of 60 million lines, a MTBF of 360,000 hours and an autocutter of 1.5 million cuts. The Epson T20 delivers the reliability customers expect from Epson and Touch Dynamic.
