

Pulse Ultra All-In-One Solution

Product Overview

Meet the demands of your business and your customers with the fully customizable Pulse Ultra All-In-One! Equipped with the 11th Generation Intel Elkhart and Tiger Lake CPU options, the Pulse Ultra promises high-power, lightning-fast performance, and the new CPU allows for compatibility and an upgrade path to Windows 11. True flat PCAP multi-touch screens keep employees efficient and customers engaged with crystal clear display, and for customers who need more screen estate they can upgrade to our 17" Pulse Ultra model. Choose memory options from 8GB all the way up to 32GB, and plug in with a versatile selection of ports including USB, USB-C, LAN, custom miniDP for HDMI and VGA displays and others. Customizable peripherals bring it all together with optional customer rear display, magnetic stripe reader, mounted barcode scanner, fingerprint reader, and more. Explore how the Pulse Ultra All-In-One can be customized for your business needs today!
